SUBJECT: **TOWN HALL MEETINGS WITH SUCCESSOR AGENCIES**

As planned, we held two Town Hall Meetings to discuss the dissolution of Redevelopment Agencies (RDAs), pursuant to ABx1 26 with representatives from the successor agencies (Agencies) within Los Angeles County. The meetings were held on Monday, March 19 and Wednesday, March 21, 2012.

The attendance exceeded our expectations with approximately sixty-one (61) cities represented. There were over 150 attendees on Monday and over 100 attendees on Wednesday. Everyone was given a packet that included information such as: Frequently Asked Questions, timelines, due dates from the State Controller's Office (SCO), and resource information with websites and contacts. Attached are the sign-in sheets from both meetings.

The meetings were conducted in a panel forum with panelists from the Auditor-Controller, Chief Executive Office, Executive Office of the Board, County Counsel, as well as subject matter experts from the State Controller's Office (SCO) and the State Department of Finance (DOF). The agenda for each respective meeting consisted of the following:

- RDA Dissolution Overview
- Audit Issues and Agreed-Upon Procedures

- Oversight Board Overview
- Oversight Board Staffing Support
- Comments from the SCO
- Comments from the DOF

The essential and critical part of each meeting was the Questions and Answers session. Agencies were able to bring forth many questions, issues, and concerns, to which, the County, SCO, and DOF provided answers and clarifications.

Both Town Hall Meetings were a great success. Attendees complimented and thanked County staff for this forum and the opportunity to be personally heard during this dissolution process.

We will continue to work with the Agencies and ensure they receive crucial information and continued support.

If you have any questions, please call us or your staff may contact Arlene Barrera, Property Tax Division Chief, Auditor-Controller at (213) 974-8361.
